8	Its good to teach kids about drugs and how bad they are for you but you shouldn't have such strict chaperons I don't see how that was necessary at all it was kind of pointless.	4/6/2017 8:37 AM
9	It was great.	4/6/2017 8:37 AM
10	Please don't use people from the army. Other group leaders were yelling at my group and saying their group was the best. They were mean.	4/6/2017 8:36 AM
11	It was scary being yelled at by the soldiers it felt uncomfortable. And I have never been told to but my hands behind my back and that disturbed me.	4/6/2017 8:34 AM

28	I like because some kids had to act parts for the Drug store project . I think it was fun because we learned something.	4/6/2017 8:22 AM
29	I think they shouldn't treat us and other kids like there in a military boot camp, and not giving us any freedom to do what we want like talk to our friends. I think the food could have been better. The sandwiches had things that people maybe don't want in it. The sandwiches tasted like plastic, so did the apple. The only good part about the food was the chips and the cookie. The should also provide other drinks besides water like juice.	4/6/2017 8:19 AM
30	I loved the Drug Store Project, but the lunch was like the sandwich was gross an soggy but everything else was good. You should have a warm meal that was cooked instead of refrigerated sandwiches. Sorry if I sound rude. :/	4/6/2017 8:19 AM
31	make the actors put a little more action into it	4/6/2017 8:18 AM
32	You guys should continue to do this program to make the world a safer place.	4/6/2017 8:18 AM
33	I think the other children can learn more about drugs so they don't have to get fired from there jobs and when they grow they don't have to take drugs and other things so when someone comes up to you and says if you want to get high or something you just have to say no or walk away from the situation.	4/6/2017 8:16 AM

34	I think t was really fun and helpful.	4/6/2017 8:16 AM

48	have two cookies instead of one	4/6/2017 8:07 AM
49	Thank for letting me know the dangers about drugs.	4/6/2017 8:07 AM

52	I really loved the drug store project and I am just saying that the food there was probably better than the food here.	4/6/2017 8:05 AM

60	I think that some of the soldiers were a little too harsh on the kids. It is fun to see what its like to be in the military, but some of the things that the soldiers did was a little too harsh, such as not being able to look at any other groups.	4/6/2017 8:03 AM
61	be less mean	4/6/2017 8:03 AM
