4	yes	4/5/2018 12:49 PM
5	Let the kids pick the groups they wanna be in.	4/5/2018 12:48 PM
6	Pick the child actor for the story before the Drug Store Project so kids think its real	4/5/2018 12:47 PM
7	You should give us compasses instead of whistles.	4/5/2018 9:11 AM
8	I think it would be more educational if it was a hands on experience.	4/5/2018 9:10 AM
9	if you separate the classes so we have lunch in the middle of the day instead of the end of the day.	4/5/2018 9:10 AM
10	Maybe games that include the topic?	4/5/2018 9:07 AM
11	having a demonstration on drug shushes	4/5/2018 9:07 AM
12	There were some boring stations.	4/5/2018 9:07 AM
13	I suggest that the CCC program should plan ahead because when they presented they didn't give much information and were not clear when talking. The presentation didn't quite make sense.	4/4/2018 12:13 PM
14	I would recommend not as strict transisions.	4/4/2018 12:11 PM
15	I think that maybe you could let kids bring a lunch becausesome people like me were hungry because we do not like sandwiches	4/4/2018 12:11 PM
16	To give lunch earlier and for the CCC station to be more interactive.	4/4/2018 12:11 PM

17	I did not really understand the CCC program station.	4/4/2018 12:10 PM
18	For the CCC station, the people need to write down what they are going to say before the program.	4/4/2018 12:09 PM
19	Maybe next time your team could explain CCC better, and within the therapy stage within the kids drug abuse problem you could show the person getting therapy.	4/4/2018 12:08 PM
20	Make the doctors section in the play where they have the person that did drugs more realistic.	4/4/2018 12:08 PM
21	You could interact with the students more and the therapy station was boring.	4/4/2018 12:08 PM
22	I personally think that the CCC station could have been a little more involved because the people there kept saying "like" and they didn't seem like they knew what some of the stuff they were talking about actually was.	4/4/2018 12:08 PM
23	I feel that the speakers should be more interactive	4/4/2018 12:07 PM
24	I found the CCC part of it to be a bit boring. I would really like the segments to be longer than 10 minutes.	4/4/2018 12:07 PM
25	I feel like some of the stations could have had better explanations or engage more with the students.	4/4/2018 12:06 PM
26	I think that for future generations you should make it a little more hands-on and give more interactive examples.	4/4/2018 12:06 PM
27	Make the acting more realistic. Just as the scene in the pharmacy.	4/4/2018 12:06 PM
28	At stations that are talking about Community work and jobs try to make sure the people know what they are talking about.	4/4/2018 12:05 PM
29	everyone should participate in the scenes and the food should not taste like plastic oh and kids should get 2 cookies and you should not invite people who haven't planned a presentation to come and do one. that all.	4/4/2018 12:05 PM
30	I think there should be a longer time limit for each station so then whatever the volunteer is speaking about, they have time to thoroughly explain it.	4/4/2018 12:05 PM
31	I think that next year they shouldn't do the CCC because it didn't really relate to drugs or safety.	4/4/2018 12:05 PM
32	The child actor should be able to see more of the program.	4/4/2018 12:04 PM
33	Maybe have more of a hands on activity in each to make kids pay attention more and want to learn what they should and shouldn't do in the future. ;)	4/4/2018 12:03 PM
34	make activities more hands on and let the kids participate more	4/4/2018 12:00 PM
35	none	4/4/2018 12:00 PM
36	When telling the students that they will be actors,tell them to put emotion into it	4/4/2018 12:00 PM
37	You should make some of the stations a little more informative	4/4/2018 10:32 AM
38	I feel the counseling could have been better understanding.	4/4/2018 10:29 AM
39	maybe try to be more hands on like have a model lung you can pump and when it smokes it weakens and breaks or something like that	4/4/2018 10:23 AM
40	give better snacks.	4/4/2018 10:22 AM
41	I didn't feel like the therapy one wasn't very helpful.	4/4/2018 10:21 AM
42	I think to make your program better maybe not have the student actor "die" but instead they live and have to explain themselves.	4/4/2018 10:20 AM
43	I believe the therapy station was not very powerful. It would help to explain more about why this would help and further encourage the process.	4/4/2018 10:15 AM
44	I think it would make your program more intresting if the therapy/therapist station was showed a different way, maybe a more fun and exciting way. i would have also like it more if the ccc program had been explained a little better.	4/4/2018 10:15 AM
45	Make the therapy scene more interesting.	4/4/2018 9:50 AM
46	I think you should make the therapy presentation more interesting.	4/4/2018 9:42 AM

47	I think that the therapy stations could have been shown in a different way. It was hard to follow and understand.	4/4/2018 9:39 AM
48	Make the therapy one more interesting.	4/4/2018 9:34 AM
49	In one part of the field trip, they make you put your hands behind your back, and after a period of time it gets really uncomfortable	4/4/2018 9:33 AM
50	Sound Effects.	4/4/2018 9:31 AM
51	to keep our planet safe	4/4/2018 9:29 AM
52	people don't sit that much	4/4/2018 9:27 AM
53	no suggestions	4/4/2018 8:46 AM
54	longer classes	4/4/2018 8:44 AM
55	You should do the drug store project for 8th graders as well.	4/4/2018 8:41 AM
56	I think you should do the same thing with everything BUT I think you should tell everyone that if they take the drugs that they get to take part in the skit because almost everyone in my group thought he was actually going to jail.	4/4/2018 8:40 AM
57	Don't give the whistles out they drove the teachers crazy!	4/4/2018 8:38 AM
58	Have more of the stations more interactive and stuff that the 6th graders care about for instance the therapy session where they talked about what therapy is was really boring.	4/4/2018 8:36 AM
59	No it was kinda boring and interesting.	4/4/2018 8:23 AM
60	The counseling one was to boring.	4/4/2018 8:23 AM
61	The doctors presentation on pot could use more energy.	4/4/2018 8:23 AM
62	The counseling one was not that interesting.	4/4/2018 8:22 AM
63	i didn't like the counsuling.	4/4/2018 8:22 AM
64	THE MOST BORING ONE WAS COUNSILING	4/4/2018 8:22 AM
65	the one that talk about the weed.	4/4/2018 8:22 AM
66	The pot one was to boring you should make it more exiting.	4/4/2018 8:22 AM
67	what could of been better was the marijuana presentation	4/4/2018 8:22 AM
